

How to Leave a Podcast Review on iTunes

Note: these instructions are for installing iTunes on a computer or laptop. If you want to install iTunes on a mobile device, please follow the specific directions for installing apps on your device.

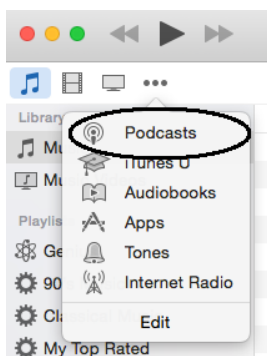

If you don't already have iTunes:

1. Go to <http://apple.com/itunes>
2. Download the app if you don't have it already, using the blue *Download* button in the right hand corner of the screen.

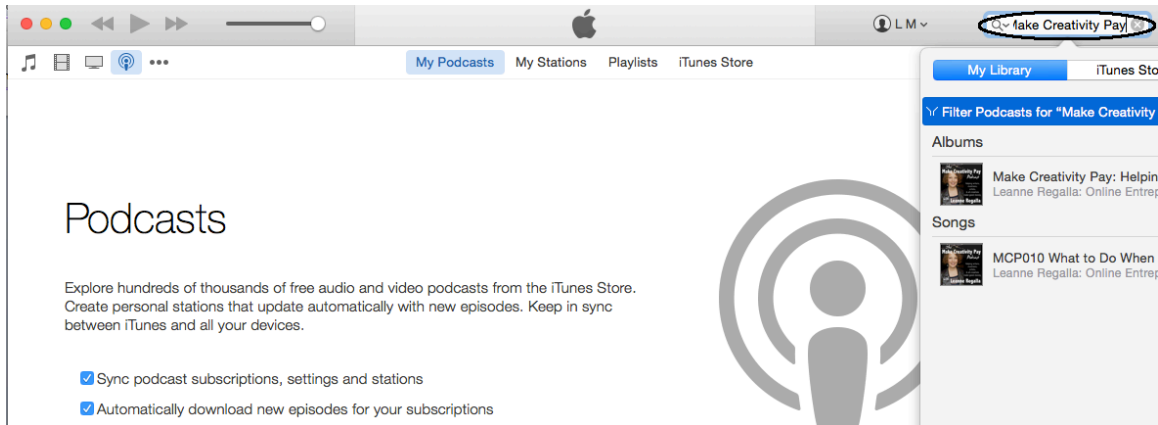

If you do have iTunes:

3. Open the iTunes app and log in. (You MUST be logged in to leave a review.)
4. In the upper left of the window, you will see icons for music, videos, and (probably) 3 dots. Click on those dots and you should see a microphone icon names "Podcasts" in the drop down menu.
5. Click on *Podcasts*.

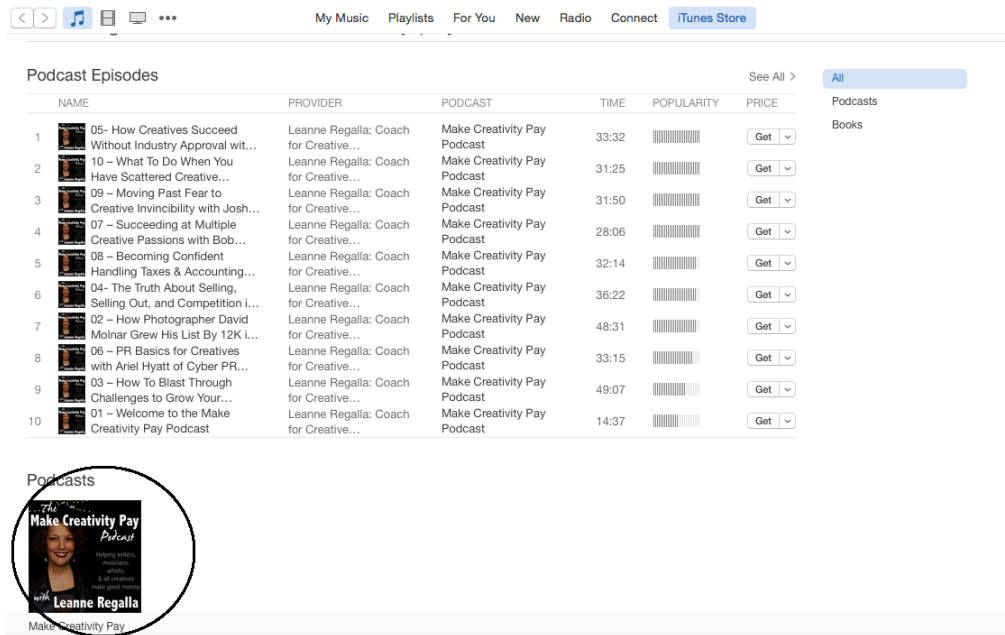

6. Click on *iTunes Store* on the far right in the upper navigation menu.

7. In the upper right-hand search bar, type “Make Creativity Pay”. Then hit enter or return.

8. Click on the icon for my podcast. You will be taken to my podcast page.

** If you haven't listened to a show yet, I recommend you start with Episode 03 with Jon Morrow. ;)

9. Click *Ratings and Reviews*, the second option under the title and category listing for the podcast.
